Kitchen Visit!

The Galley is called the Galley rather than a Kitchen in true naval style.

The Galley is a department that works 18 hours in total a day. The Galley is cleaned each sitting and then a deep clean every night. 18 hours is the time that it takes to work in the morning to the end of the last cleaning in the evening.

There are 60 Crew in the cleaning department of the galley.

There are 120 Crew in the food production department of the galley.

There are different stations that make up the Galley.
